HONEY (BIO) QUESTIONNAIRE

BY TAVARON MARSHALL

Da'Brianna Burley (Honey) is from a small town called Yazoo City located in Central Mississippi, but has now relocated to Dallas, Texas. She is a 26-year-old mother of six wonderful children who loves to write poetry and music while allowing her mind to take her on a ride with every creative piece she writes. As she continues to shed light on the issues we face in our everyday lives, her goal is to give a voice to the voiceless and hope to the hopeless. Her musical influences are the late Phyllis Hyman and Teena Marie. She chose the name Honey because of her bold, bright hazel brown eyes. Whether it be through music or poetry, Dabrianna is proud to be on this journey chasing her dreams as a child of the Most High.

**EMANUEL ANDERSON |
MANI NBISH**

Emanuel Anderson is known to the music industry as Mani Nbish or simply Bishop. His love of music started at the tender age of five in Brooklyn New York.

During his younger years, he began playing the drums for church choirs and singing with school choruses. By the age of 12 Mani was writing and reciting poetry. Those talents lead to greater endeavors, such as writing songs, music production, and becoming a member of his high school's drumline.

Shortly thereafter Mani began writing small plays and acting at the Black Spectrum Theatre in Queens, NY.

While staying close to his church roots, Mani began writing and producing upcoming Gospel artists and choirs. Local and major talent started to take notice after he started producing for artists such as:

THE COUNCIL, COSTRA NOSTRA

PANAMA REDD (THINK OF U,

MEET JAYREE FROM JAYREE'S MUSIC REVIEW INTERVIEW QUESTIONNAIRE BY TAVARON MARSHALL

1. Hometown? Nacogdoches, Texas.

2. Town Residing In? I've been in Austin Texas since the age of 5.

3. Where It Started (Inspirations)? I started at birth in a sense. My dad and uncle played music, and I come from a family that was really close. My parents had a family band and there were always full band instruments in our living room or at least a few guitars laying around.

4. Musical Influences? At an early age I was hugely influenced by my Dad's guitar playing. I always asked him "Why he never tried to make it big?" His response was always, "Studio time is too expensive". So at an early age I wanted to learn how to record and mix so I could start recording him. In 2001 I recorded my first studio session with my Mom's boyfriend at the time.

Then in 2004 I was able to sit down with my Dad and record a full album with only 2 people playing 7 instruments including drums. At that point I knew I wanted to do this for a living. I recorded many more albums for my dad and recorded many of my friends as well. I recorded all types of music. In 2015 I left Austin, music wasn't in my life anymore. I came back in 2018 and learned FL studio and worked my way into becoming a full time music producer.

5. How did you get the name Beats by Jayree? My Producer name is Ya Boy Jayree. Beats by Jayree is my social media name. Ya Boy Jayree is on all streaming platforms with 4 instrumental albums to my name.

JAYREE'S MUSIC REVIEW

(JOSH MORTON MUSIC)

Jayree 's Music Review

Artist Name: Josh Morton Music

The best way to describe (Josh Morton Music) is Detroit meets Austin but with a unique swag. His footprint is very unique! His delivery and cadence is hard but swaggy at the same time. To his dramatically over imagined, over the top videos, to his lyrics and beat choice. Everything is creative and tasteful. Experiences and his environment make his music. Creative wordplay is something he is known for. He can have you hype but in deep thoughts at the same time. If he is wreckin the mic then you know you are about to be blown away with fast driving heart pounding lyrics. You can definitely hear the swag coming from Detroit as he rides on Texas beats. Punchlines are always catchy, hooks are always stuck in your head, and he has a swag that makes you wanna kick back in your ride and pound some pavement.

Josh Morton Music is an Austin Texas Recording Artist, songwriter, Rapper, and music professional.

FAITH VIOLET INTERVIEW QUESTIONNAIRE

1. Hometown? Queens, New York.

2. Town Residing In? I currently reside in Pittsburgh, Pennsylvania (I moved out here in 2018 to start a new chapter in my life).

3. Where It Started (Inspirations)? It started with poetry in elementary school, my first poem got published in a children's book. Shortly after that my poetry writing eventually turned into writing music. On top of that, my father is a musician as well so he always inspired me when I'd hear him sing and play the guitar around the house.

4. Musical Influences? I have a lot of influences but if I had to keep it short I'd say Boyz II Men, Anthony Hamilton, Aaliyah, Chris Brown, Tupac, the list goes on & on.

5. How did you get the name Faith Violet? Growing up, I was always the friend that always had Faith no matter what so eventually that became my nickname. Being that my real name was difficult to pronounce on top of that & violet came from the color of the sunset which to me has always been violet, I enjoy watching the sunset so I just put the two together as 'Faith Violet' to show two things that represent myself as an Artist.

MADISON JAY

INTERVIEW QUESTIONNAIRE

(VALENTINES EDITION)

BY TAVARON MARSHALL

1. Your Scoop Me Up Single has been tearing up the Charts especially overseas. Are you surprised at the success you are having with that Single?

I had high expectations for the single out the gate but to see how it's been performing has been surreal. It's one of those songs that's just a vibe man. It's timeless music at a high level.

2. What is a typical Valentine's Day spent with Madison Jay like?

A Valentine's Day with Madison Jay is magical, special, and from the heart. My other half can answer that better than me though.

3. Do you have any Valentine's advice that you can pass on to our readers? My best Valentine's Day advice is do what you feel. Don't be pressured by societal standards. Do what you can with the best you can. Remember the core of Valentine's Day is to celebrate LOVE.

4. In your opinion, is Valentine's Day more for men or for women? I'm gonna be honest here. In today's time it's mainly for women and kids. Men get that love but nowhere near to the degree of the women and babies. It shouldn't be like that but here we are.

MADISON JAY

INTERVIEW QUESTIONNAIRE

(VALENTINES EDITION)

BY TAVARON MARSHALL

5. What do we have to look out for in 2024 from Madison Jay?

In 2024, Madison Jay is dropping a plethora of new music. I've got the Skinny Tony album with producer LD Beats, They Gotta Deal With Us collaborative project with J Davon Harris and 2 more solo projects that are pretty much a done deal. I'm going on a tour which I'm super excited about. I already know this is about to be the biggest year of my career easily!

6. Any last words and shout outs? I want to give love to the fans for giving me life and keeping the support on a high level. A big thank you to my team for constantly working hard. Stream "Scoop You Up" and the album "These Carolina Nights", watch the video "Scoop You Up", and keep an eye on everything Madison Jay in 2024. It's COUNTY!
